Analytical Investments LLC – Omega AI & Related Services

Version 1.0

Effective Date: September 04, 2025

Finalized and Issued by: Analytical Investments LLC

## 1. Introduction

Analytical Investments LLC ("Company," "we," "us," or "our") operates Omega AI and related services, including dashboards, market information, daily AI-generated market summaries, educational content, a TradingView suite, user accounts, and a Discord server (collectively, the "Services"). This Privacy Policy ("Policy") explains how we collect, use, disclose, store, and protect your information when you access or use the Services, whether as a free user or an Ultra subscriber (\$5/month). By using the Services, you agree to this Policy and our End User License Agreement (EULA), available at [insert website link]. If you do not agree, you must immediately cease use.

The Services are for educational and informational purposes only, not investment advice. We are not registered advisors under securities laws and aim to minimize regulatory oversight. This Policy is designed to protect your privacy while reserving our rights to use data as permitted by law.

For inquiries, contact us at [analyticalinvestments.ai@gmail.com](mailto:analyticalinvestments.ai@gmail.com).

## 2. Information We Collect

We collect the following types of information ("User Data") to operate and improve the Services:

- **Personal Information:** Name, email address, and payment details (e.g., credit card information via Stripe for Ultra subscriptions).
- **Chatbot and Usage Data:** Prompts and interactions with Omega AI, IP addresses, device information (e.g., browser type, operating system), session duration, pages visited, and analytics data (e.g., via GoDaddy visitor tracking or website tools).
- **Financial Data:** User-entered investment preferences, financial goals, or other data provided to Omega AI or dashboards (e.g., portfolio interests).
- **Discord Server Interactions:** Posts, messages, or profile data shared on our Discord server.
- **Third-Party Service Data:** Information collected by integrated services (e.g., ChatGPT, Financial Modeling Prep, TradingView, Stripe, Vercel, GoDaddy), subject to their privacy policies.

- **Cookies and Tracking:** We may use cookies, web beacons, or similar technologies for analytics, functionality, or advertising. See Section 8 for details.

**Sensitive Data Warning:** Do not share sensitive information (e.g., bank account numbers, Social Security Numbers). You do so at your own risk, and we disclaim all liability for losses or breaches.

### 3. How We Use Your Information

We use User Data for any lawful purpose, including but not limited to:

- Operating and providing the Services (e.g., generating AI outputs, dashboards, market summaries).
- Improving the Services, including training Omega AI or other AI models with your prompts and interactions.
- Conducting internal analytics to understand user behavior and market trends.
- Developing new features, products, or research.
- Personalizing content or marketing (e.g., tailored educational materials).
- Complying with legal obligations or defending our rights.

As of September 04, 2025, we do not sell User Data, but we reserve the right to use it for any purpose permitted by law, including potential future monetization of anonymized or aggregated data.

### 4. How We Share Your Information

We may share User Data with:

- **Third-Party Service Providers:** Vendors like Stripe (payment processing), Vercel (hosting), ChatGPT (AI processing), Financial Modeling Prep (data), TradingView (charting), GoDaddy (analytics), and Discord (community). These providers may collect or receive data, subject to their privacy policies, which you agree to review and comply with.
- **Affiliates:** Our subsidiaries or partners, if any, for business purposes.
- **Legal Compliance:** Regulators, law enforcement, or courts if required by law or to protect our rights.
- **Business Transfers:** In connection with a merger, acquisition, or sale of assets.

We may share anonymized or aggregated data without restriction. We are not liable for third-party actions or breaches.

### 5. Data Retention

We retain User Data indefinitely for analytics, AI training, legal compliance, or other purposes, unless otherwise required by law. You may request deletion (see Section 7), but we reserve the right to retain data as permitted (e.g., for legal obligations or anonymized analytics).

## 6. Data Security

We implement reasonable measures (e.g., encryption, access controls) to protect User Data, but no system is perfectly secure. We rely on third-party providers (e.g., Stripe, Vercel, ChatGPT) for certain security functions and disclaim liability for their breaches. In the event of a data breach, we may not have knowledge or means to notify you; you agree we are not responsible for breach-related losses or notification failures.

**User Responsibility:** You must not share sensitive data and are solely responsible for securing your account (e.g., strong passwords).

## 7. Your Rights

To the extent required by law (e.g., CCPA for California residents), you may request to access, correct, or delete your User Data by emailing [analyticalinvestments.ai@gmail.com](mailto:analyticalinvestments.ai@gmail.com). We may:

- Deny requests if permitted by law (e.g., for legal obligations or analytics).
- Charge reasonable fees for processing, where allowed.
- Require verification of your identity.

We minimize user rights to the fullest extent legally permitted. Deletion requests may not remove data retained by third-party services or anonymized data.

## 8. Cookies and Tracking Technologies

We may use cookies, web beacons, or similar technologies to:

- Enable functionality (e.g., user sessions).
- Analyze usage (e.g., via GoDaddy analytics).
- Deliver ads or personalized content.

You can manage cookie preferences via your browser settings, but disabling cookies may limit Service functionality. We may add a cookie consent banner if required by law (e.g., for international users).

## 9. Children's Privacy

The Services are for users 18 and older. By using the Services, you affirm you are at least 18 or, if a minor, using the account under a parent or guardian's name with their consent. Each

individual must have a separate account; multiple users per account are prohibited. Dishonesty about age or account usage violates our EULA, and we may terminate access immediately, temporarily, or permanently until resolved. We do not knowingly collect data from children under 13, per COPPA.

## **10. International Users**

The Services are U.S.-based and governed by Rhode Island law, as per our EULA. If you access the Services globally, you consent to data transfer to the U.S., where privacy protections may differ. We provide minimal compliance with international laws (e.g., GDPR) unless required. Users in sanctioned countries are prohibited from using the Services.

## **11. AI-Specific Risks**

Omega AI uses AI (e.g., ChatGPT) and may produce inaccuracies, biases, or hallucinations due to training data or algorithms. We disclaim liability for such issues. User Data, including prompts, may be used to train AI models, and you consent to this via clickwrap or use.

## **12. No Investment Advice**

The Services are for educational purposes only, not investment advice. We are not registered advisors and aim to avoid SEC or FINRA oversight. You must not rely on AI outputs or Content for financial decisions and bear all risks of use.

## **13. Consent to Data Practices**

By using the Services, clicking “I Agree” during account creation, Ultra subscription, or other prompts, or continuing use, you expressly consent to our collection, use, sharing, and retention of User Data as described. You acknowledge via clickwrap that:

- You will not share sensitive data, and do so at your own risk.
- The Services are educational, not advisory.
- We may use your data for AI training or other purposes.

Consent records (e.g., timestamps, IP addresses) are maintained and admissible in disputes, per the E-SIGN Act and UETA.

## **14. Dispute Resolution**

Privacy disputes are subject to the EULA’s binding arbitration clause (Newport County, Rhode Island, AAA rules). You waive class actions and jury trials.

## **15. Updates to This Policy**

We may update this Policy at our discretion by posting changes on our website or notifying you via email or in-app alerts. Continued use constitutes acceptance. Check periodically for updates.

## **16. Contact Us**
